

PCD7.L62xN extension modules for light and sunblind

Where can I find the right connectors for the PCD7.L62xN Light and Sunblind extension modules?

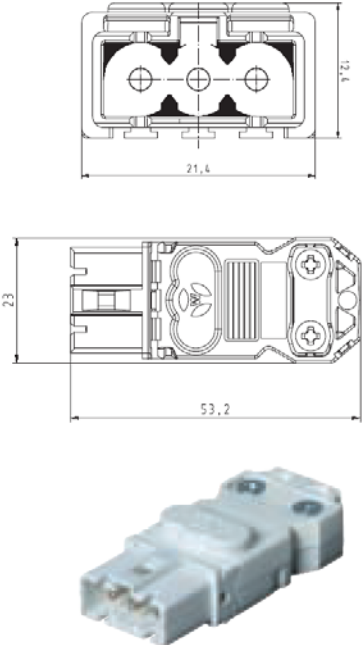

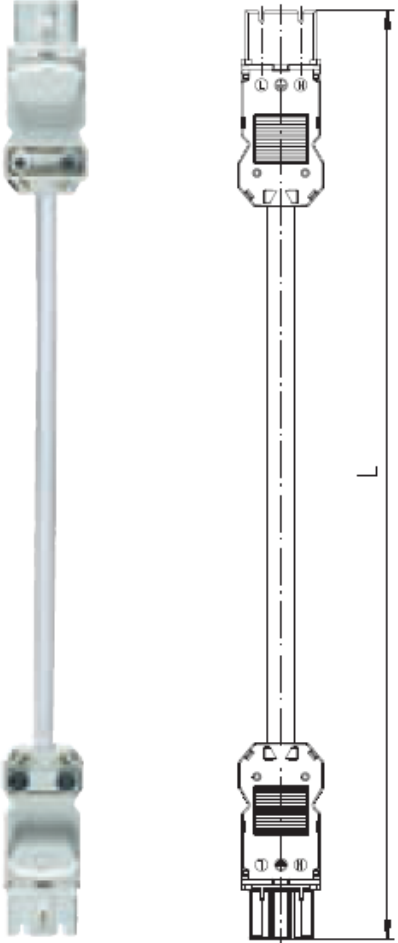

The content of this document is sorted by the connector type. The first table informs you about the power supply connectors. The second table holds information about the on/off light connectors, the next one for sunblind connectors and the last table informs you about the dimming light connectors.

We can't guaranty that all Wieland article numbers are every time correct, for orders please contact your local distributor.

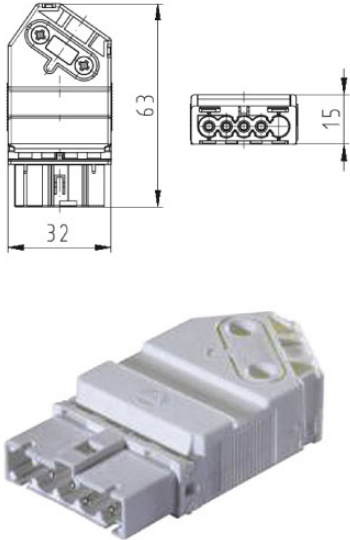

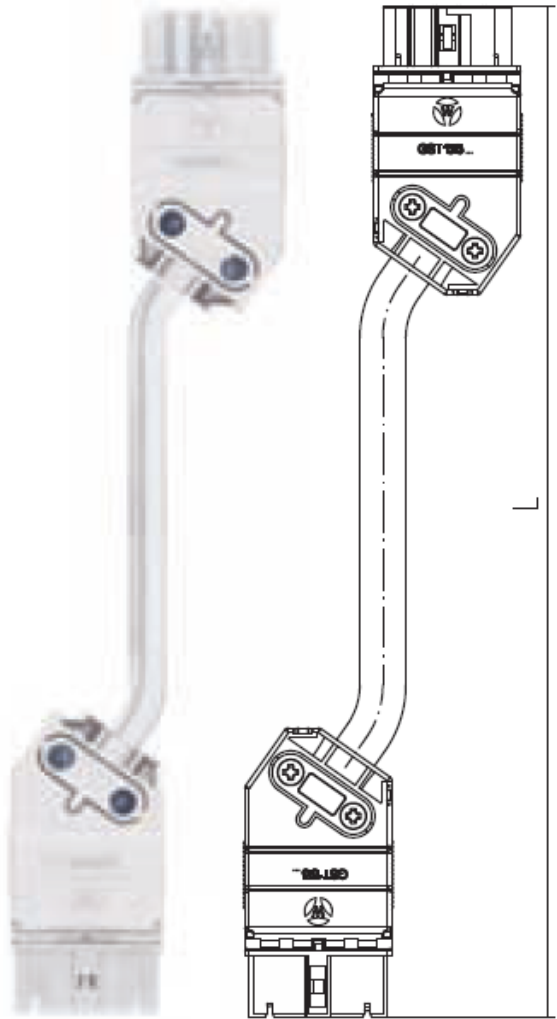

Supplier: Wieland-Electric
