14 CE

Document Number 11002

Note:

- The devices are determined to be built-in by skilled or instructed persons into electrical equipment, for which further directives are effective. It is determined to be used by ordinary persons only for replacement of an identical device. If they are installed in machinery where Directive 2006/42/CE applies, that machinery can only be put into service when compliance with that directive has been verified
- This declaration is not a guarantee of attributes within the meaning of the EC-Directive 85/374/EEC (Liability for defective products).
